

Charles M. Schulz – Sonoma County Airport (STS)

Airport Operations Area (AOA) Endorsement – Individual

Individuals requesting an STS Airport Operations Area (AOA) badge based upon their association with, or employment by, an authorized Airport tenant must be sponsored by that tenant before access privileges will be considered. Once access privileges are granted, the sponsored individual must come into the Airport Manager's Office to fill out an STS AOA badge application and complete a Transportation Security Administration (TSA) check before a badge will be issued to them.
